In Memory of Ralph Robb

Ralph Robb, retired Superintendent of the Clinton Community Unit District, died Saturday morning, September 8, 1956, while visiting relatives in North Carolina.

Mr. Robb was a graduate of Illinois College at Jacksonville and of the University of Colorado. He first came to Clinton as high school principal in 1926. When the local system was made a school unit in 1948, he became superintendent; and he remained in this position until his retirement in 1956. During this term he carried out a program to improve and expand all Unit schools.

We can adapt these final lines of Julius Caesar by Shakespeare to the life of Mr. Robb:

"-----His life was gentle, and the elements
So mixed in him that Nature might stand up
And say to all the world, "This was a man!"
